The perfect Turks and Caicos hide-away. Only 42 graciously appointed accommodations – from deluxe studios to two bedroom suites and stunning penthouses – frame a lushly landscaped courtyard. There are two inviting heated pools, a soothing hot tub and a Tiki bar. You will find extraordinary service on the world’s most beautiful beach. Our private greeter will bring you whatever you need – loungers, towels, umbrellas and refreshing drinks and cocktails.

Sophisticated. Secluded. And very under the radar. The Turks and Caicos Islands are one of the world's most desirable destinations with extraordinary natural beauty, rich sea life and an idyllic climate. And no cruise ships anywhere near Provo. We told you it was private. Our friendly and thoughtful staff is ready to help organize any activities. Or not. The choice is entirely up to you. Come discover the Turks and Caicos' best kept secret. Just don't tell too many people.

Villa del Mar offers you an oasis of serenity and privacy.

Separate, yet central, with a low-key flair all its own, Villa del Mar is located just steps from one of the most beautiful beaches in the world; minutes from Providenciales International Airport; 575 miles from Miami; light years from the hustle of daily life. English is the official language. The US Dollar is the official currency. And enjoyment is the rule. No wonder our website address is "your" Villa del Mar. Plan your escape.
